A very warm welcome to our Church

Trinity Church is the home of a caring community where members from different denominations can worship together as one united congregation.

We are on a spiritual journey together and in different places in our relationship with God. We come from a number of different church traditions, or none. Whether you *do* come from a church background or are 'just exploring', you are very welcome to join us for worship or for one of our mid-week groups.

If you are new to Trinity and not sure where to start, why not ring our church minister, Rev Jon Salmon.
